

My name is Mary Doherty and I am a voter in Southbury. I am writing to urge the CT Legislature to pass both S.B. 184 and H.B. 5262 - the continuation of COVID19 as a permitted reason to vote by Absentee Ballot in 2022. I believe voters should have the freedom to decide whether or not it is safe for them to vote in person at their polling place. If they think COVID19 poses a risk to their health and safety they deserve the option to vote absentee. No one should have to make a choice between protecting their health and voting.

Please continue the COVID19 safety measures of 2020 and 2021 for 2022: permit everyone who fears exposure to COVID19 to vote by absentee ballot. Please protect our freedom to vote and pass S.B. 184 and H.B. 5262. Thank you.

Sincerely,
Mary Doherty
